

pass the hat fundraiser 2017-18

Hi RTG friends,

Last year we surveyed all of you about what you wanted fundraising to look like. You voted to do a flat donation per family vs. selling specific items. This year our school has some major changes from the college that affect our funding for the teachers-so we are needing your support more than ever! The suggested donation is \$30/family. Please make checks payable to RTG. Many of your workplaces match donations as well, so please remember to follow up on that-the tax id# is included for you as well.

Thank you so much for helping our school run smoothly! We appreciate your support!

Gina Eason & Jane Lauckner
RTG co-presidents & board

*For your donation-you will receive an RTG water bottle, t-shirt or sand bucket (while supplies last!)

TAX ID#:

Please detach this portion & staple your check. Thank you SO much!!
